For cocktail parties we can offer some of our tapas or a selection of Mediterranean inspired canapés, or if you have any favorites we would love to design a menu that's individual to you.

BEVERAGES: For our functions we have our full drinks menu. However, you are welcome to design a limited drinks list of your favorites and we can run individual drink tabs for smaller events. If you have something special you'd like to bring in, you are more than welcome, we have a corkage charge, just check with us before hand.

BOOKINGS: If you would like to book, please give us a call during business hours. We can email you some more details or make some decisions over a cup of coffee. We require all food and beverage decisions 7 days prior to your booking, and final numbers 3 days prior to the booking.
